

**Rajiv Gandhi Centre for Aquaculture**  
**Technology Transfer and Training(TTT)**

**Trainings**

RGCA organizes four/two days hands on training programmes regularly for the interested candidates like farmers, entrepreneurs, fishermen, students, researchers, academicians etc., At present RGCA is offering 8 trainings which are mentioned below.

1. Mangrove Mud crab Aquaculture from 24<sup>th</sup> to 27<sup>th</sup> of July 2018.
2. *Artemia* Cyst & Biomass Production in solar salt ponds from 25<sup>th</sup> to 27<sup>th</sup> of July 2018 (3 Days)
3. Live Feed Production for Marine Hatchery Operation 06<sup>th</sup> to 09<sup>th</sup> of August 2018.
4. Best husbandry practices of Asian sea bass from 10<sup>th</sup> to 13<sup>th</sup> of August 2018

*(A minimum of 20 candidates are necessary for conducting a training programme. In case of insufficient no's of candidates the programme will be rescheduled)*

**Accommodation**

No hostel facility is available at RGCA and candidates have to stay in hotels and are required to pay for their accommodation and food at the venues. However, RGCA can assist in booking suitable accommodation and arranging lunch during the training. RGCA will also provide free transportation from place of stay to the training venue & back during the programme.

**Duration, Fee and Payment**

Each training programme is of 4 days duration. The training fee is Rs **5,000/-** per person for all programmes except for the lab based trainings like *Molecular markers and their applications in aquaculture&Shrimp Disease Diagnosis with focus on Good Laboratory Practices* for which the fee is Rs **7,500/-** per person. Fee may be remitted as DD drawn in favour of "Rajiv Gandhi Center for Aquaculture" from any nationalized bank payable at Mayiladuthurai (SBI Code 0000875). Payment can also be made as fund transfer to RGCA as per the details provided below.
