Notification

DF/PLG/FISH-MARKETS/2015-16

Sub.-: “Construction of Fish Market”

The Government of Goa is hereby pleased to introduce the scheme “Construction of Fish Market”.

1. *Short title and commencement.*— (a) This scheme may be called “Construction of Fish Market”.

(b) It shall come into force from the date of publication in the Official Gazette.

2. *Objective of the scheme.*— The main objective of the scheme is to provide better amenities for marketing of fish in the State of Goa by encouraging construction of small fish markets by the Municipalities and Village Panchayats in hygienic conditions and also to provide space for storing other amenities such as insulated boxes etc. The scheme provides the financial assistance by way of subsidy @ 75% of the cost of construction limited to Rs. 5.00 lakh for construction of fish market built by Municipality/Village Panchayat.

3. *Background of the scheme.*— The scheme was introduced earlier during the Fifth Five Year Plan under the Major Head: “Processing, Preservation & Marketing” and financial assistance was provided by way of subsidy @ 50 % of the cost of construction, limited to Rs. 0.25 (Rupees twenty five thousand only). The scheme was formulated to provide fish market at important centers of Municipalities and Village Panchayats with all amenities for handling and sale of fish in hygienic condition. It was however, decided to drop the scheme during the year 1997-98 due to poor response, as the assistance provided under this scheme was very meager.

It is observed that the retail marketing of fish in most of the villages of the State is done in a very unhygienic manner due to the absence

of proper infrastructure. Most of the Village Panchayats are not economically sound to construct good fish market. It was therefore proposed to review the scheme and increase the quantum of assistance upto Rs. 5,00,000/- considering the annual income of the Village Panchayat/Municipality. The Village Panchayat/ Municipality having annual income of upto Rs. 2,00,000/- will be eligible for 100% subsidy limited to Rs. 5,00,000/- and Village Panchayat/ Municipality having annual income of above Rs. 2,00,000/- will be eligible for 75% subsidy limited to Rs. 5,00,000/-.

Thus, the increase in the quantum of assistance encouraged the local bodies to take up the improvement/renovation/ construction of the fish markets with all facilities for hygienic handling of fish.

4. *Pattern of assistance.*— Financial Assistance in the form of subsidy will be given to local bodies such as Municipalities and Village Panchayats for construction of fish markets as per the following pattern of assistance.

1. Village Panchayat/ /Municipality having annual income:	Quantum of Assistance
(a) Upto Rs. 2.00 lakh	100% subsidy limited to Rs. 5.00 lakh
(b) Above Rs. 2.00 lakh	75% subsidy limited to Rs. 5.00 lakh

Documents required to be enclosed along with the application:—

- (1) Panchayat/Municipality Resolution.
- (2) Land documents complete in all respects.
- (3) Estimates duly approved by P.W.D.
- (4) Site Plan duly approved by respective authority.
- (5) Annual Income Certificate of Municipality/ Village Panchayat.

5. *Budgetary Provision.*— During the financial year 2015-16 an amount of Rs. 8.00 lakh is provided under the Budget Head: 2405 — Fisheries; 105 — Processing, Preservation &

Marketing; 03 — For Construction of Fish Market and Stalls; 33 — Subsidies under Demand No. 66.

This issues with the concurrence of the Finance Department vide their U. O. No. 1400018996 dated 21-12-2015.

By order and in the name of the Governor of Goa.
